At the 2008 Council in Cape Town (RSA), Article 5.1 of the FIG Technical Regulations was extended and the principles of a compulsory Licence or “gymnastics passport” was introduced.

Reg. 5.1 GENERAL RIGHTS OF PARTICIPATION IN COMPETITIONS AND LICENCE

As of 1.1.2009, all the gymnasts, juniors and seniors, in all disciplines with the exception of GfA, and expected to take part in international competitions will need to own a personal Licence. All the licences are established by the FIG Office on the basis of the information transmitted by the affiliated Federations. This Licence is considered as a “gymnastics passport” and is valid for all the FIG competitions, the competitions organized by the Continental Unions, the international tournaments and the international events, as well as the competitions organized in the frame of Continental and Regional Games.

During the FIG competitions, the Licence will be the basis document for elaborating the accreditation.

Detailed regulations will be elaborated by the EC and transmitted to all the Federations.

The following rules have been decided by the FIG Executive Committee based on the above mentioned Article 5.1. of the FIG Technical Regulations.
