**Dear sport friends,**

I have the pleasure in sending to your federation / club the information that the traditional **34<sup>th</sup> International Trampoline Competition of Friendship 2006** will take place on Saturday 09 September 2006 in the city of Kladno that is situated close to the Czech capital Prague in the distance of only 20 km.

The individual and synchronised competitions will be designed not only for the senior trampoline competitors with the FIG A performance level but even for the youth / junior competitors 12-17 years of age with the FIG B performance level. We consider this for a good chance to test your Olympic hopefuls in the conditions of international event as well.

The competition will be open for FIG affiliated federations and/or their clubs. We would be very pleased to welcome your team at the occasion of the traditional annual event in our country.

The invitation and regulations will be delivered in early 2006. All relevant documents will be also available on the website <http://trampoliny.cstv.cz/english.asp>.
